## **Students Prepare for Leadership Training in U.S.**

A group of nine secondary school students and their parents visited the U.S. Embassy on January 31, 2012, to prepare for the students' trip to the U.S. as part of the Bold Leaders Youth Exchange Program. The group from the Western Region of Kenya will join others from South Africa and the U.S. state of Kansas for a three week program to develop their leadership skills and to prepare projects they will implement to improve their schools and communities after their return. After a day at the Embassy, the CAO hosted the group to a dinner of roast chicken, potato salad, macaroni and cheese, and brownies with ice cream to give them a taste of American food.
